PROGRAM & EVENTS GUIDE

MASTERPIECE

WORLD ON FIRE

Season 2 Premieres Sundays, October 15 - November 19 at 8pm

Picking up in late '40s, the series return will take viewers from the war-torn streets of Britain deep into Nazi Germany, the resistance within occupied France and the brutal sands of the North African desert—where troops struggle to adapt to a very different kind of combat.

See it first
on Saturday,
October 7
at 10:30am
during WYES

LITTLE BIRD

THE AMERICAN BUFFALO

Monday, October 16 & Tuesday, October 17 at 7pm & 9pm

In this new documentary from Ken Burns, viewers will see a biography of an improbable, shaggy beast that has found itself at the center of many of the country's most mythic and heartbreaking tales. The two-part, four-hour series, which has been in production for four years, takes viewers on a journey through more than 10,000 years of North American history.

TURNING THE TIDE: A STORY OF HELL, HEALING AND HOPE

Premieres Monday, October 23 at 8pm;

Repeats Wednesday, October 25 at 10pm & Monday, October 30 at 9pm

WYES brings the complex crisis of sex trafficking trade in Louisiana in a new documentary narrated by Karen Swensen. The film also shares hope with the growing army that has been formed to fight it.

In shocking transparency, three survivors share their journeys into the depths of depravity, having been lured or

taken captive in their own backyards. With the clarity of hindsight, they share the warning signs and what makes a child more vulnerable. And with equal candor, they spotlight a growing force of good that is teaming up to fight an evil trade — an unlikely troupe of survivors, law enforcement officers, Louisiana First Lady Donna Edwards and a group of nuns running a secret healing center in the backwoods of Louisiana.

The documentary will be followed by a special program featuring guests from law enforcement, education and health care discussing how Louisiana can better respond to the crisis of human trafficking, what resources are available and where more help is needed.

Produced, written & narrated by Karen Swensen. Directed, edited & photographed by Aaron Brownlee.

HIGHLIGHT

7pm
THE AMERICAN BUFFALO "Blood Memory" (Pt. 1/2) In this new documentary from Ken Burns, viewers will see a biography of an improbable, shaggy beast that has found itself at the center of many of the country's most mythic and heartbreaking tales. The two-part, four-hour series, which has been in production for four years, takes viewers on a journey through more than 10,000 years of North American history and across some of the continent's most iconic landscapes, tracing the mammal's evolution, its significance to the Great Plains and, most importantly, its relationship to the Indigenous People of North America. In the first episode, newcomers to the continent bring a different view of the natural world, and the buffalo are driven to the brink of extinction. *Photo Credit: Craig Melish*

7pm
NATURE "Spy in the Ocean" 'Deep Thinkers' (Pt. 1/4) This four-part miniseries employs animatronic spy cameras disguised as marine animals to secretly record behavior in the wild. In the first episode, spy creatures reveal an ocean full of startling ways of thinking, including large-brained whales, smart octopi, diving monkeys, creative fish and other intelligent animals. *Pictured: Spy Crab swimming amongst fish in Indonesia. HIGHLIGHT

9pm
MORGUS PRESENTS: THE HOUSE ON HAUNTED HILL This Halloween, WYES is bringing back local icon Morgus the Magnificent, just as he appeared for decades on local TV -- in between segments of a horror movie. You'll see Dr. Morgus and his assistants Chopsley and Eric create an interdimensional machine that allows Morgus to communicate and join the supernatural world of ghosts. In between vintage Morgus segments from the 1980s is "The House on Haunted Hill," a 1959 film starring Vincent Price.
