Dear Valued WYES Members,

Thank you for your support of WYES. We remain committed to offering the best local and PBS programming possible to our community – which is the very reason that you support WYES.

With the recent loss of federal funding, we are faced with some difficult cost-reduction decisions in order to maintain the valued service that you rely upon and deserve. That includes making changes to WYES' content in *New Orleans Magazine*.

We value our longstanding partnership with *New Orleans Magazine* and are pleased to continue to provide our members with access to their award-winning monthly content. However, beginning with the November issue, the WYES program listings will not appear in print but instead be offered online at [wyes.org](http://wyes.org). We will continue to highlight WYES events and happenings here in a smaller format, but will move all program and schedule information online to [wyes.org](http://wyes.org). The website's front page features highlights of must-see programs that month, along with many other valuable program and learning links.

In addition, we will initiate a weekly program highlights email. If you have not already provided us with your email address, please contact our Membership Office at [membership@wyes.org](mailto:membership@wyes.org) or call 504-486-5511 to be added to the contact list.

Thank you for standing with us during this challenging time. Your ongoing membership support ensures that WYES can continue to serve our community with the quality programming it deserves and that you, our members, have come to expect and trust.

With gratitude,

A handwritten signature in black ink that reads "Robin Cooper".
